

TECHNICAL FACT SHEET

A revolutionary breakthrough in burndown weed control

Gamma™ is a new foundational burndown herbicide for control of tough broadleaf and grass weeds, including ALS, triazine and glyphosate-resistant species.

A preeminent next-generation weed control tool, Gamma offers a novel active ingredient, broad tank mix compatibility and an ultra-low use rate in comparison to many market standards.

Product Specifications

Brand Name	Gamma™
Active Ingredient	Tergeo™
Category	Herbicide
Crop	Wine grapes, table grapes, raisin grapes
Weed Spectrum	50+ broadleaf & grass species
Site of Action	Group 14 herbicide / PPO-inhibitor
Chemistry Family	Pyrimidinedione
Formulation	Water-dispersible granule
AI/pound	0.70 pound of AI per pound
Applications	Directed Postemergence
Rates	
Used Alone	Gamma @ 0.50 - 1.50 oz/A
Tank mix	Gamma @ 0.50 oz/A + approved tank mix partner
Signal Word	Caution

Low Use Rate: Always apply product with an effective tank mixture partner, if electing to use the low rate.

Adjuvant Use: Gamma applications require the addition of an adjuvant applied at label recommended rates. Although the label allows for Methylated seed oil (MSO), non-ionic surfactants (NIS) and crop oil concentrate (COC) adjuvants to be used, MSO-based adjuvants are recommended to achieve the most consistent performance. COC and NIS are not the preferred adjuvants for use with Gamma. However, research has shown that some premium COC and NIS products can achieve similar levels of performance to that of MSO products. For guidance on these premium COC and NIS products, contact your HELM Agro US representative. For specific instructions for adjuvant use, mixtures and spray volume, always reference the Gamma label.

Primary Weeds Controlled (or suppressed)

Annual bluegrass, Barnyardgrass, Carpetweed, Chickweed, Crabgrass, Dandelion, Downy brome, Evening primrose, Field bindweed, Filaree, Giant foxtail, Green foxtail, Hairy fleabane, Henbit, Johnsongrass (seedling), Kochia, Lambsquarters, Little barley, Mallow, Marehail, Mayweed chamomile, Morningglory species, Mustard, Nightshade species, Pigweed species, Prickly lettuce, Prickly sida, Prostrate knotweed, Purslane, Ragweed species, Shepherd's purse, Sowthistle, Velvetleaf, Wild buckwheat, Wild oats, Willowweed
